

Our Beliefs & Values

We believe in preparing our church to share the life changing message of Jesus Christ within our local community and abroad to other nations. We support those in the mission field, financially, prayerfully and physically.

To Evangelize

Our primary goal is to share the Gospel of Jesus Christ. We are open and willing to be creative with our talents, gifting and calling to communicate the love of God through His Son.

To Pastor

Provide spiritual, emotional and physical nurturing to God's people. Our goal is to assist and support those that are and will become part of the New Wave Church family. We would like to see all believers excel in their journey, and provide counsel and support based on the principles found in the Bible. We believe that to be whole, one must focus on the triune being of a person, body, soul and spirit.

To Teach

To the best of our ability, we teach the Scriptures and relay God's knowledge to successfully walk out your personal relationship with our Heavenly Father. We believe the Bible reveals God's full intention for man based on the His plan and purpose for us. Our desire is to initiate the application and activation of the gifts He has placed within each of you. God's principles, commands, promises, ordinances, and instructions are written for the you, the Church. This is why we have a strong conviction to educate God's children at every level.

To Prophecy

We believe that the gift of prophecy is still an active part of our faith and is readily available for exhortation, encouragement and reproof, as it was in the early church. We desire to teach men and women to fulfill the prophetic call in their own lives as instructed in the Word of God for the purpose of building you up.

To Send Out

To acknowledge and encourage Apostles and Apostolic teams to continue the great commission given to the church. The word apostle means "sent one". This is often confused with the call of the missionary. In the Bible however, there is no missionary call given from God. We honor the God given office as that of the Apostle. The apostolic office was and is ordained by Christ as the office that would be sent out to establish new works and bring order to established works.

To exemplify a **Five Fold Ministry Church**: (Ephesians 4:11) These are the governing offices left by the Lord Jesus Christ to administrate or govern the local church. All of these offices are in tact and should be functioning in the local Church of Jesus Christ today. If these offices are not in tact then the church will not be able to fully reach its intended level of maturity and power.
